REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Clover High School serves all students in grades nine through twelve in the school district.

Building on the core beliefs that put engagement at the heart of our instructional program, the faculty and staff completed a third year of staff development and implementation of engagement strategies in the classroom. Engagement strategies for the 2007-2008 school year focused on technology, team planning, and mentoring. Installation of Promethean Boards in all classrooms was completed. A bimonthly mentoring program was implemented. A daily planning guide for engagement was developed.

It is important to know that the timing of the state report card and state testing program requires that schools report strategic plan data for the year preceding this report card narrative [2006-2007]. The school met 2 of 5 goals for the 2006-2007 school year including SAT average [1008] and parent satisfaction [88.76%]. The first attempt HSAP rate improved from 82.9% to 84%, but did not meet the target goals of 86%. School goals for graduation rate [goal 83%-score 72.2%] and percent of highly qualified teachers [goal 100%-score 98.8%] were not met.

During the 2007-2008 year, the school celebrated numerous achievements in academics and school activities. In the fall of 2007, CHS learned that the school ACT average was above the national index. One hundred and ten seniors in the graduating class of 2008 met or exceeded 1000 on the SAT. These same seniors included 13 Palmetto Fellows, a Robert Byrd Scholar, and a National Merit Scholarship winner. The senior class earned over 5.4 million dollars in awarded and projected scholarships—the highest in school history.

In co-curricular and extra-curricular activities, the Blue Eagles won state championships in football, band, chorus, student council, individual wrestling, sports medicine, FFA, FCCLA, and DECA. The AFROTC detachment won a national Distinguished Unit Award. The band won a ninth consecutive SCBDA Outstanding Performance Award.
